

U25 League

As at APR 15th 2014

1. Goal:

We intend to attract younger pilots to compete within the OLC league system.
The U25 league is very useful for the education towards cross country soaring.
The U25 league is connected to the OLC league system all flights are scored automatically for all leagues.

2. Application

The U25 league is a club competition, only club members may participate.

3. Participants

Pilots must be 25 years (having their birth day within the year of competition) or younger.

4. Flights

All flights must be scored in the OLC league.

5. Aircraft

Only flights of single seaters will be scored.
